REPRÆSENTATA.

**A**bsiste vulgus: nil iuuat extero  
Iactasse plectri, Pegason, alite,  
Nil peruolaturum, beati  
Aonias, Heliconis, oras  
Cuisse fontem. Maior adorea  
Presepe, quamuis diffugiat Iouis,  
TYLICIANOS, irretorto  
Sole palam, decoret iugales.  
Postquam Polonę munia Curie,  
Centum tremendis horrida faucibus  
Plusquam Chimęrei negoti  
Bellerophon pius expediuit.  
Cracensis altum, currit ad exedre,  
Phebea, preles, respicit agmina  
Sitire, quos suscauit, atra  
Pauperies remouens ab antro.  
Et clamat, Eheu, fons Aganippidum,  
Exuste squalles & Castalidum chori  
Jacetis & ardendo fluentes  
Syrius euacuauit amnes.  
Quisquamne vobis Iupiter absuit!  
Iagumq; et Hermum, turris ahenea  
Raptauit amnes & an rapaci  
Acriso auriplus recessit &  
Parnasse meres & Iupiter, implue:  
Scaturiens fons in diget, implue:  
Conuexa, sed celi negabant:  
Depluerat Cataclysmus vndas.  
Et iam negator ore, negauerant  
Florere montes, prata virecere,  
Sitis, Caballinis, relictam  
Dip[s]adibus patefecit oram.

Hiat silenti murmure Carpatas,  
Balbutientes, pressa siti, sonos  
Diserta nequidquam, fluenti  
Ore refert regio, et pudendum  
Iam Tullianę vocis in ops Lechus,  
Raucescit olim, Causa recens mali:  
A fonte Pympleo. rigatrix  
Spuma sitis, leue difflebat.  
Exinde zelo Presul inherruit,  
Ergo silenti (clamat) in angulo  
Versamur & et menses, Lecheas,  
Ira canis malefana torret &  
Negante celo, currite de meo  
Fluenta stagno, currite flumina;  
Expostulatum per disertas  
Eloquium reperate lymphas.  
Hinc, quę Polonus vortice, Vistula  
Preterfluente, iactat edax, aquas:  
Quę pronus aspectat Trione  
Ætherio, residens Apollo,  
Patronus orbis CANTIVS. flicet  
Hinc innocentilucidior vitro  
Exuberabit Hippocrene  
(Presul ait) mea, de deserto,  
Septemtrioni, fonte micent aque.  
Vnde Lecheę, nunc scateant siti.  
Diserta, linguarum bibendo  
Protinus exilient trophęa.  
Mirum! retorto vix abiit gradu  
Tyliciani Bucephalus gregis  
Exinde fluxerunt Hydasphe  
Siue Iago melius, fluenta, et

Quidquid recenti cuserat impete,  
Deliberati de solea scatent.

Fontes, cycneum, conuocatis  
Piscibus eloquium dature.  
Quisquamne talis Clitorius, sitim  
Exestuantis sedat Apulie?  
O sola Cracensem reducens  
Sarmatie solea Hippocrene n!  
Fluent perenni murmure nenie,  
Æterna Suade, flumina profluent.  
TYLICIANO, congelabunt  
Æthereos Cineri Colossos.  
At Tu Poloni, gloria nominis  
In exterorum docte plagis virum  
Lechea IVRKOWI beabis  
Prata tuę Zephyris loquele.  
Te vel Latine Pierides suum  
Nouere Vatem; Te veteri scatens  
Potauit imbri Tullianus  
Putteolis Academus oris.  
Non sic catenas Gallicus Hercules,  
Sprargebat, imis Hesperie iugis,  
Trisfaucis, occisor tremendus  
Geryonis: veluti futurum  
Chiron Achillem Tu regionibus  
Formasse doctus, visus es exteris.  
Te Belga, Te Francus, Te Iberę,  
Te Ausonie stupuere Terre.  
Ergo Cracensis Preses adoreę,  
Conscende, Rostris Tullius, intona.  
Fallor! Polonę en gestientes.  
Ore Tuo rejonant Camęne.

The main body of the document contains several columns of text, which are mostly illegible due to fading and bleed-through from the reverse side. The text appears to be a formal decree or ordinance, given the header and the use of Latin and Polish. There are some handwritten notes and marks throughout, including a large 'A' in the right margin and a signature at the bottom right.
